**SUMMARY OF AMENDMENT (013725):** Deletes and replaces language of the original bill such that the substantive changes are as follows: 1. Sets forth selection process, duties, responsibilities, and term limits for the one non-voting student member. 3. Requires the UT Board of Trustees to establish standing committees with responsibility for oversight of Academic Affairs and Student success. 4. Deletes requirement that each advisory board shall provide a recommendation to the President of UT on the proposed operating budget.

FISCAL IMPACT OF BILL WITH PROPOSED AMENDMENT:

Decrease State Expenditures – Exceeds \$15,000/University of Tennessee

Assumptions for the bill as amended:

- There are currently 27 members serving on the Board of Trustees.
- The proposed legislation as amended would reduce the number of members serving on the UT Board of Trustees to 12 members; decreasing the total number of members by 15.
- Travel reimbursement expenses for the members of the UT Board of Trustees are reasonably assumed to be at least \$200 per member per meeting for at least five meetings per year.

HB 2115 – SB 2260

- Each member receives at least \$1,000 (5 meetings x \$200) in travel expense reimbursement annually. The recurring decrease in state expenditures to UT is estimated to exceed \$15,000 (\$1,000 x 15).
- Appointments and confirmation hearings will be accomplished in the normal course of business and when the General Assembly is convened. Any increase in state expenditures for this purpose is estimated to be not significant.
- Any increase in state expenditures for additional meeting materials is estimated to be not significant.
- Policies regarding the governance of the UT System under the provisions of the proposed legislation will be adopted and performed during UT's normal course of business. Any fiscal impact to UT as a result of adopting policies regarding the governance of the UT system is estimated to be not significant.
